Description of Violation

Section 108: Election Timeline

Prior to election day, we received a copy of the unofficial ballot for our review. Our team reviewed the ballot and found no misspellings or concerns. On Wednesday, March 27, 2019 and Thursday, March 28, 2019 when the official ballot was released, the ballot was incorrect in the spelling of Bridge IU and our ticket was spelled as “ IU Bridge”. This was not what we reviewed and approved prior to the official ballot release. We have built relationships with people and established credibility as Bridge IU. The entire core of our campaign is Bridge IU, so we believe this is in violation of section 108.

Section 108 of the Procedural Election Code states:

Each of the following events must occur in each election cycle with the inclusion of additional events being at the discretion of the Election Commission.

- *Review of Ballot. Each candidate shall have the opportunity to review the official ballot no later than one (1) week prior to the beginning of the IUSG Election and shall bring any issues of accuracy to the Election Commission within two (2) days. Unless otherwise directed by the Election Commission, no other ballot review requests may be honored.*
